

Columbus Girls' Rugby Football Club

1614 27th St., Columbus, IN 47201

**Thank You for your interest in sponsoring the 2010 Spring Season of the
Columbus Girls' Rugby Football Club**

Did you know?

- ◆ Rugby is the "tackle football" game of choice in over 100 nations throughout the world.
- ◆ Indiana has over forty boys and girls school-based rugby teams.
- ◆ There are 500+ HS teams in the U.S., nearly all self-funded.
- ◆ Rugby is one of the fastest growing competitive sports in the United States.
- ◆ **Without your donations there would be one less unique sport in this unique community.**
- ◆ **YOUR DONATION CAN BE TAX DEDUCTABLE!!**

Goals of our High School program include:

- ◆ Providing safe and fun athletic competition for young women under the age of 19 years.
- ◆ Nurturing leadership opportunities.
- ◆ Building confidence, teamwork and leadership skills.
- ◆ Creating opportunities for lifetime friendships and enjoyable experiences.

Our spring schedule runs from approximately Mid-March to late May, with 10-15 games being played in the Central Division 1 before the state playoffs begin. The club supplies game jerseys, practice equipment, facilities, coaches, and travel & logistic support. The Columbus High School Girls finished well at the close of our 2009 season, with 9 players being selected to the Indiana State All-Star Team.

The 2010 season promises to be another great year for Columbus Girls' Rugby.

We have a number of needs for the spring season:

A new set of jerseys for the team; tackle bags for practice; funds for preseason rental of facilities, Rugby Indiana dues, travel, website fees, and hosting visiting clubs. CRFC will host multiple visiting teams, last season's visitors included: North Central, Noblesville, Brownsburg, Carmel and Hamilton South Eastern.

The Club needs **YOUR** help! Listed on our Sponsorship Form are multiple ways your business can help.

Jersey Sponsor

Columbus Girls' Rugby needs new jerseys for the 2010 season and what better way to be a part of the game than to put your companies name on our jerseys! You will also be included on our t-shirts and web site!

_____ \$2500 EXCLUSIVE SPONSOR Large Front Center ONLY

Athlete Scholarship

The Columbus Girls' Rugby Football Club is entering their fourth season this spring. As a club sport, each student is responsible for her own and the team's equipment. As the club is self-supporting, spreading all these costs to all the players could prevent some of them from being able to participate.

In appreciation for lessening the financial burden to the players and their parents, the club will place your business logo, link and message on our website www.columbusrugby.net

The cost of a basic Athlete Sponsorship is \$150.00. While this may not be a great expense for your business, it can certainly go a long way to help lower the cost of participation in a non-taxpayer supported sport.
